

# T.J.S. ENGINEERING COLLEGE

(Approved by AICTE, Affiliated to Anna University, Chennai & Accredited by NAAC)

An ISO 9001:2015 Certified Institution

## Letter of IQAC Formation

Date: 29/09/2020

This is to inform you that as per the NAAC committee's suggestion, Internal Quality Assurance Cell (IQAC) was established in our institute and the cell has been effectively discharging its duties towards enhancing the quality parameters of the institute in all aspects with effect from July **05 -2019**. The IQAC committee is headed by **Prof.Dr.K.KAMALBABU** HOD/Mech as the Convener and now the existing committee was restructured under the guidance of the Head of the Institution. The restructured IQAC members list is given in the attachment.

The primary objective of IQAC is

- ❖ To create a robust model of governance for the academic and administrative activities to uplift the institution to higher altitudes in the ever challenging academic environment.
- ❖ To promote a culture of innovation, entrepreneurship along with communal harmony, human values and professional ethics.
- ❖ To frame policies and provide resources to take part in professional ranking systems of educational systems at state, national and international platforms.

The establishment and functioning of the IQAC will be based on the guidelines given by National Assessment and Accreditation Council (NAAC). It is available in the website <http://www.naac.gov.in/guidelines.asp>. It is attached herewith for your information.

The IQAC committee has been updated and reformed based on the new recruitment and relived faculty members of the institution. In the newly formed committee the HODs and faculty members are allotted as in-charges of the various functional units. They are requested to go through the Guidelines of the IQAC. They are also requested to encourage all the teaching and non-teaching members in their departments to go through the guidelines.

The reformation of IQAC will enable the institution to attain the next generation milestones of education policies and also to facilitate continuous improvement in academic and administrative activities. I expect full co-operation and support from all the teaching members and non-teaching staff to the IQAC committee and its IQAC activities.
