Details of Resource Person

Mr. M.E. Rajamanikam is a leading industrialist based in Chennai who specialized in UPS and Power Supplies in the brand name of "Gemini". His major clients are in the cable TV industry. He is a pioneer in the introduction of Power Pass Technology in cable TV in Tamil Nadu. He has around 32 years of experience in this field since the era of vacuum tubes. He is also an authorized dealer for Electronics for You in Kits 'n' Spare, Delhi and VEGA KITS, Mumbai. He is also Technical Head in Nestlives Private Ltd. He has also shared his expertise to student community by guiding them in their academic projects and conducting training courses. He has conducted around 60 workshops in reputed educational institutions, which include 7 workshops in collaboration with Anna University and AICTE, 8 short-term training courses for Polytechnics and 40 individual seminars. His field of interest includes Embedded System Design & Power Electronics.

Report of the Event

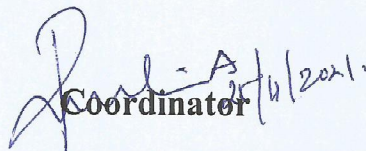

Title	: Do Your Engineering rather than Studying by Do It Yourself
Date	: 25.11.2021
Resource Person	: Mr.M.E.Rajamanikam
Event Co-coordinators	: Mr.A.Prakash
Total Participants	: 94

A Workshop on Do Your Engineering rather than Studying by Do It Yourself by Department of Electrical and Electronics Engineering, T.J.S Engineering College on 25.11.2021. The venue was the placement seminar hall of the college. 94 participants were attended the workshop.

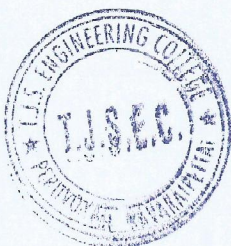

Welcome speech was given by Mrs.M.Shunmuga Sankari, HOD, Department of Electrical and Electronics Engineering. The key note address was delivered by Dr.J.Prakash, Principal, T.J.S Engineering College.

Mr.M.E.Rajamanikam presentation began with explaining the various aspects of doing engineering. He discussed as engineering is an exciting subject because it combines scientific and mathematical knowledge with creative thinking. It teaches to question the established ways of doing things and to come up with new ideas. In order to do this, all need creativity and an ability to look beyond what has been done before. He concluded the session by discussing about research aspects in engineering.

B.E students were actively participated in the workshop and the resource person clarifies the doubts apart from the students. The session was ended with vote of thanks. The Workshop was highly informative to students teachers and Research Scholars.

Report of the Event

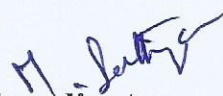

Title : Do Your Engineering rather than Studying by Do It Yourself
Date : 25.11.2021
Resource Person : Mr.M.E.Rajamanikam
Event Co-coordinators : DR.M.SATHYA PRIYA
Total Participants : 94

A Workshop on Do Your Engineering rather than Studying by Do It Yourself by Department of Electrical and Electronics Engineering, T.J.S Engineering College on 25.11.2021. The venue was the placement seminar hall of the college. 94 participants were attended the workshop.

Welcome speech was given by Mrs.M.ShunmugaSankari, HOD, Department of Electrical and Electronics Engineering. The key note address was delivered by Dr.J.Prakash, Principal, T.J.S Engineering College.

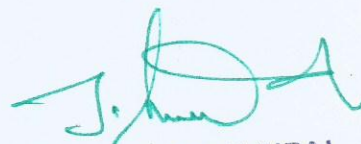

Mr.M.E.Rajamanikam presentation began with explaining the various aspects of doing engineering. He discussed as engineering is an exciting subject because it combines scientific and mathematical knowledge with creative thinking. It teaches to question the established ways of doing things and to come up with new ideas. In order to do this, all need creativity and an ability to look beyond what has been done before. He concluded the session by discussing about research aspects in engineering.

B.E students were actively participated in the workshop and the resource person clarifies the doubts apart from the students. The session was ended with vote of thanks. The Workshop was highly informative to students teachers and Research Scholars.
