## POLICY ON E-GOVERNANCE

The E-Governance is the use of technology to perform intitutional activities and achieve the objectives of governance. It ensures speedy administration of services and information. The E-Governance helps in improving transparency and administrative efficiency.

### **1. Finance and Accounts:**

The Institution has ISPIDER software solution for the finance and accounts e-governance. The tally software has been used for recording, managing and processing financial transaction and data's.

### **2. Examination:**

The Institution uses Anna University Web portal for University Examination. The Exam cell is equipped with necessary equipments for conducting Internal and External Examination.
