Sir,

Sub: Visiting NLC - II and III Year B.E (ECE) students - permission sought for - Reg.

TJS Engineering College, Peruvoyal, Gummidipoondi Taluk is one of the leading Engineering College in Thiruvallur District and affiliated to Anna University Chennai. The College offers UG and PG Courses in Engineering. The college has a four year B.E program in Engineering and two year M.E with 120 students. As part of the curriculum and syllabi of Anna University, Chennai, it is mandatory that our students have to undergo Industrial Visit.

In this context, we seek your permission and approval for a visit in Neyveli Lignite Corporation Limited for our II and III year B.E (Electronics and Communication Engineering), (36) students accompanied by 2 faculty members during the month of May 2022.

This visit will enable the students to get an overview in the area of Power Generation & Distribution which would help the student to understand the core subjects Control System, Signal conditioning and Instrumentation and place them in core Industries. We will ensure that discipline, code of conduct and other formalities are strictly adhered during the Industrial visit.

We thank you for your kind attention in this matter and looking forward to your continued support.

We have reached NLC, Neyveli at 10:30am. There we visited the control room where the control of whole process was monitored and data were stored. Then one of the experts explain the whole process of the plant with power point presentation. We visited the Mines where coal is preserved and supplied. We earned knowledge about process control and it is related with control system subject. It was very useful to know about the connection of coal to electricity.
