Report of the Event

No.of.Students Participated: 75

Duration: 2 Hrs(Date:1.3.22)

Resource Person: Mr. P Hariprasath

Designation : Examiner of Patents & Designs (Group A Gazette)

OVERALL ACTIVITY REPORT

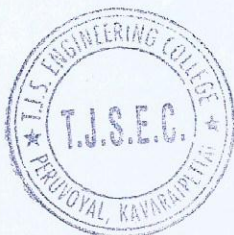

The session started at 10.30 am through online on 1.3.2022. More the 70 students and staff members were participated from various departments of our college. Mr.P.Hariprasath ,Examiner of Patents and Designs from Intellectual property office, Chennai was the resource person. He clearly gave information about IPR and other relevant information.

IPR includes patent, copyrights, trademark, design. He said patents should be applied only for science and technology. The idea for any IPR should be a novelty idea, new idea, non-obviousness, industrial applicability. The above mentioned are the basic parameters for any IPR. The resource person covered the patent act of 1970. He also mentioned us the ideas that belong to section 3(k) for which IPR cannot be applied. He explained us the complete procedure on how to apply for a patent and the forms involved in it.

He then mentioned the forms that are needed to filled in order file for a patent. The forms that he mentioned was FORM 1,3,5,9,18. He also mentioned us about the various database to search for any idea that was recorded previously. He explained us the wait time for a patent to be published. Overall, the session was very informative and useful. We are now confident enough to go through the process to apply IPR for our ideas.
