### Short Term Course Summary

<b>Course Name</b>	: Green Energy Environment
<b>Year</b>	: 2021-2022
<b>Course Coordinator</b>	: Dr.I.Arul Doss Adaikalam
<b>Course Type</b>	: Short Term Course

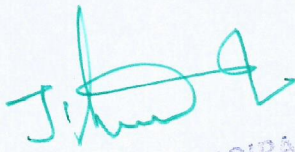

### Course Outcome

The 30 Faculty members who were enrolled in this five days short term course were able to understand the growing demand of electricity and insufficient supply. The global market is looking for a sustainable alternative for replacing the conventional energy systems. Moreover, our government is looking for as well as encouraging. Efficient, Reliable, and Affordable electrical alternatives to cut down the pressure on grid supply. The Short Term Course acquaints the faculties about the recent trends in green technology researches and its effect on the energy efficiency of the system along with the impact on environment. in the field of green technology and its applications.

## RESOURCE PERSON DETAILS

Dr. L. Ramesh received his Engineering Doctorate (2015) in Jadavpur University ,  
Master of Technology (2000) in Kerala University, Master of Business  
Administration (2010) in INGOU and Bachelor of Engineering (1997) in M.S.  
University.

He is Presently working as Dean , Dr.M.G.R Educational and Research Institute, Chennai. His passion of research is to find optimal solution for Energy Efficiency Research. He formulated MAGIC students association and improved the growth of event execution to 98% from 52%. Sir CV Raman Journal Club initiated by him helped to improve the publication growth. He is very passionate to contribute back to society, with green minded people, formulated Professional Society named The Institution of Green Engineers (IGEN) and GREEN9, working for UN Sustainable Redevelopment Goals towards Greener Society. With his Chairmanship, GREEN9 flourished with 20 ENSAV Clubs, 55 energy save awareness events, saved 1,40,000 liter of water through ENSAVER My Savings Event, Created "Save One Unit Per Day" Awareness' to 1.25Lakhs Public. The active participation resulted, 20 publication in Scopus, executed 250 energy audits with 30% energy saving, executed 45 save energy awareness talk to the engineering students and 15 talks with the school students. The energy save work resulted to receive SEEM National Energy Management Award 2019 at New Delhi.
