Green Campus Policy

T.J.S is committed to make its campus as a place where education is combined with environment friendly practices to promote sustainable development by

- **Restricted entry of vehicles**
All the vehicles of the college and personal vehicles of the staff members must have the emission certification in order for getting green signal for entry into the campus.
The college encourages the employees and the students to frequently use public transport facilities, bicycles, etc. to limit the emissions.
- **Use of Bicycle/ battery powered vehicles**
College uses the Battery-powered vehicles for in- house transport. The electricity used in the campus is generated within with the Green - Technology.
- **Pedestrian-friendly pathways**
T.J.S campus prides itself in ensuring the Pedestrian-friendly pathways in all the buildings. Pedestrian-friendly pathways are properly marked with suitable logo/sign.
- **Ban on use of Plastic**
T.J.S is strongly committed to work towards plastic-free campus. In the T.J.S campus, there is complete ban on single-use plastics.
- **Landscaping with trees and plants**
As per the green practices in the campus T.J.S is moving in the direction of a Green Institution in PERUVOYAL by planting more number of saplings of trees within and outside the campus.
Medicinal plants and fruit bearing plants and trees are being cultivated to ensure the conducive atmosphere.

The faculty, the staff and the students are encouraged to contribute collectively to develop eco-friendly and sustainable campus and disseminate the concept of eco-friendly culture to the nearby community and wherever possible.
