

T.J.S. ENGINEERING COLLEGE

(Approved by AICTE, Affiliated to Anna University, Chennai & Accredited by NAAC)
An ISO 9001:2015 Certified Institution

7.1.4 WATER CONSERVATION FACILITIES AVAILABLE IN THE CAMPUS

POLICY DOCUMENT

Mission:

T.J.S Engineering College is committed to regulate water conservation, sustainable management and utilization of water resources effectively.

Objectives:

- To ensure adequate, continuous and reliable water supply by implementing continuous transmission and automated water distribution systems throughout the campus.
- To reduce water wastage in the college and hostel premises.
- To recycle the waste water by treating and reusing it for beneficial purposes such as irrigation, groundwater replenishment, gardening and environmental restoration.
- To collect rain water from roof-top in addition to RWH facility.
- To follow Standard Operating Procedures for disposal of hazardous chemicals.
