

T.J.S. ENGINEERING COLLEGE

(Approved by AICTE, Affiliated to Anna University, Chennai & Accredited by NAAC)
An ISO 9001:2015 Certified Institution

Degradable and Non-Degradable Waste Policy

T.J.S is committed to make its campus as a place where education is combined with environment friendly practices to promote sustainable development by

- **Degradable and Non-Degradable waste bins**

The college encourages the employees and students to use waste bins for collecting degradable and non-degradable wastes. Separate waste bins for degradable and non-degradable waste are placed at the entrance in each block.

- **Use of Garbage collection vehicles**

All the agriculture, food, degradable and non-degradable wastes are being collected with the aid of garbage collecting vehicles including trucks and tractors which help in transporting these wastes.

- **Bio gas plant**

T.J.S campus has planned to erect a bio gas plant which will be helpful in converting wastes into bio-fertilizer. Bio gas obtained from the food waste is used for cooking.

- **Food waste collection**

Food waste obtained from canteen, guest houses and hostel is being collected separately using bins placed in each place which is sent to poultry farm.

- **Segregation of non-degradable waste**

Non-degradable wastes is being collected and it is stored in separate rooms for segregation.

- **E-waste management**

E-waste is collected and it is stored in separate rooms which may be further sold out to the needy every year.

Non repairable e-waste like obsolete devices such as computer systems, servers, monitors, compact discs, printers, scanners, calculators, fax machine and battery cells are used as models to explain concepts to the students.

The faculty, the non-teaching staff and the students are encouraged to contribute collectively to develop the clean and eco friendly campus.
