RAMP FOR DISABLED STUDENTS

- The Ramps are built through the campus where uneven floor levels or kerbs are present to provide convenience and prevent tripping accidents.
- Ramps are helpful to push a pallet truck, trolley, or wheel chair over a kerb or step by negotiating just a few inches of height difference.
- Utility ramps solve the problem and make wheeled movement between uneven levels very easy.

DISABLED FRIENDLY WASHROOMS

- Separate disabled friendly washrooms are available in the campus with scheduled maintenance, cleanliness and hygiene.
- It is designed as per the standard specification to accommodate people with physical disability.
- The sign board is provided outside of the washroom to access it easily and not to be used by others.

DISPLAY BOARDS, SIGNPOSTS AND PATHWAYS

SIGN BOARDS

- The sign board are very important component in any institute as for as disabled person are concerned.
- The sign board makes the disabled students to feel comfort to move to any place in the campus without any confusion.
- The institute placed sign boards and display boards at different places in the campus for the benefit if disabled students.
