

FUTURE PLAN OF ACTION

As part of continuous improvement, we have planned to make the Academic Calendar activity-oriented. Guest lectures, industrial interaction and industrial visits will be scheduled, so as to bridge the gap between classroom teaching and industrial requirements. More activities of Social Outreach would be organized like blood donations, plantation drives, and environment awareness events through NCC, NSS, YRC and Red Cross etc.

IIC & CII:

An initiative of MHRD/MOE – Central government of India is the INSTITUTIONS INNOVATION COUNCIL (IIC) – a part of the MIC – Ministry of education's innovation cell. This IIC is a council established in all HEI's for the empowerment of students in innovation, entrepreneurship, internship, social media IPR activities.

The Confederation of Indian Industry (CII) has been conducting the impact survey and survey of industry linkages of technical institute in partnership with AICTE. The objectives of the survey are to showcase best practice of industry partnership across AICTE approved technical institutes' in the streams of engineering.

ENTREPRENEURSHIP DEVELOPMENT CELL:

A well established centre for entrepreneurship in the institution is expected to create many start ups and innovative entrepreneurs in collaboration with IIC and CII. The amount of activities and its caliber shall be increased exponentially in the **upcoming year**.
