5. Evidence of success:

- The evidence of success of Daily Test Practice is reflected through the overall personality development of students.
- The slow learners are identified by the respective subjects teachers.
- A special focus is given on them and they are made to stay after the college hours to write the test.
- Parents were happy to have a system where, the overall progress of their ward is monitored and informed to them timely right from the first year till the candidate completes his/her engineering.

■ 6. Problems Encountered and Resources required:

- The institution being situated in rural, area and the students are not that much exposed to the current enhancements. To overcome this Daily Test Practice play an important role by making them Score letter marks.
- Personal guidance is given to the slow learners during the daily practice test.

TJS Nagar, Peruvoyal, Near Kavaraipettai, Gummidipoondi Taluk, Thiruvallur District -601206

3.The Context:

- It is platform for students to participate actively in the activities conducted by students associations.
- Each department of college has its own students association and college also has its own students association called as students Council
- These associations are working on methods of for the students, by the students and from the students means these associations are made by students for students development.
- In the association students may work as volunteer on post such as President, Vice President, Joint Secretary, treasurer, Ladies representatives and Executive members. They are selected from students by inviting applications from interested students.

4.The Practice:

- After formation of association the activities are planned for a semester. While making plan different suggestions from student and faculty members are considered in a meeting. For every activity a team is formed including a faculty and students. The team is responsible for conducting the activity.
