COMMITTEES

Our students are all given the opportunity to explore their passions, whether they are in sports, languages, technology, drama, music or art. Many numbers of activities during the college days are intended to keep students active and interested.

The objective of the committees is to deliver training and guidance to the students and also to assist them in discovering new opportunities.

The committee invites companies / organizations for campus interviews and provides them required facilities for conducting written test, group discussion, Technical and HR interview. The committee also organizes industrial visit and in plant training regularly to enlighten the students with commercial exposure in the industrial environment and the real world.
